The 5 W's of Website Evaluation

Who: Who wrote the pages and why are they an expert? How can I find out more about the author?

What: What does the author say is the purpose of the site? What else might the author have in mind for the site?

When: When was the site created? When was it last updated?

Where: Where does the information come from? Does an organization sponsor the site? How can I find out more about the organization?

Why: Why is this information useful for my purpose? Why is the information on this website better than information I can find in a newspaper or magazine article?
